Hi David,

I sent the topics although this appears to be a request for all of Jim's comments. They will probably want more. It's premature to provide Jim's comment because we have not had a chance to review and consider all of the comments, but I will leave it up to you.

Thanks, Nancy

Nancy;

David told me on Friday that you have a list of technical issues that James Walker discussed with you relative to the Gunnison UIC Comment Responses.

It would be helpful to us if we could review the list in preparation for the meeting tomorrow.

Thanks,
